

Service Plans

PERSONALIZED FOR YOU

The Inn at Atlantic Heights professional staff will discuss your needs with you, complete a personal needs assessment, and with your input establish the suitable service plan that allows your needs to be met to enhance your quality of life. All service plans are coordinated for you by a registered nurse and offer assistance with activities of daily living such as medication reminders, medication management, dressing, grooming and bathing.

SUPPORTIVE LIVING

Includes all services listed in monthly rate including two staff visits per day, offering up to 30 minutes of personal assistance.

Second person rate \$1,200

ENHANCED LIVING

Provides up to four staff visits per day, offering up to 60 minutes of personal assistance.

Add to base monthly rate \$500

Second person rate \$1,700

EXTENDED LIVING

Provides up to six staff visits per day, offering up to 90 minutes of personal assistance.

Add to base monthly rate \$1,000

Second person rate \$2,200

All personal assistance is calculated at 15-minute intervals.

The fees paid for assisted living may be tax deductible and you should check with your tax advisor about your individual situation. Reduction taxes effectively lower your monthly costs.
